FAX-ON-DEMAND

Do you have several documents that are frequently requested and your staff is spending a lot of time sending individual faxes? With our Fax-On-Demand service, your documents will be available 24 hours a day, 7 days a week electronically. Our service is tailored to meet your needs, and can be offered in a toll-free or local telephone arrangement.

Fax-On-Demand Features:

- Custom Greetings
- Multi-Document Support
- Call Reporting
- Supports Short Or Long Documents
- Toll-free or Local Service

Our Fax-On-Demand systems are extremely easy to use. For example with our toll-free system, your caller simply dials a toll-free number, selects a document, enters their fax number, and then hangs up. The system automatically calls their fax machine and sends the document. It's that simple!

Contact us today for more information on our Fax-On-Demand services.
