

Smart Office Solutions

Your communication Technology Partner

PAYMENT PROCESSING

CREDIT CARD PROCESSING:

Would you like to accept credit cards at your business? Are you having difficulties getting approved for credit card processing? Contact Smart Office Solutions today to discuss how we can help you develop a merchant services program. We offer extremely competitive rates in both low and high-risk business.

CHECK-BY-FAX:

Tired of waiting for checks to arrive in the mail? Increase your cash flow today by adding our Check By Fax program to your payment options. Our program is simple. First, collect payment information and authorization from your customers by fax. Second, print an authorized check from your own computer. Third, deposit this check into your bank account. It is that simple!

Let The Professionals Guide You To Success!
